## Project Bridge Youth Ambassador Program Parent and Guardian Signature Form

**Instructions for Applicant:** Please obtain at least parent or guardian signature and include it into your application. It is important that your parents/guardians are aware of the scope of the Program. By signing, your parent/guardian affirm their willingness for you to participate in the Program.

**Instructions for Parents or Guardians:** Your child is applying to the Pacific Century Institute's Project Bridge Youth Ambassador Program. As workshops and other activities occur after school hours and as there is a ten-day study tour to the Republic of Korea in the spring, it is important that you are aware of the scope of the Program. The Study Tour is tentatively scheduled for March 28 to April 9, 2026 to coincide with many area schools' spring breaks and to minimize your child's days out of school.

By signing, you affirm your willingness to have your child participate in the Program.

**Note:** There are no costs for students or their families to participate in the Program. All costs are covered for both the activities in the U.S. as well as the entire Study Tour to the Republic of Korea (with the exception of acquiring a passport if needed).
